## Sources of Income

**During this last financial year**, ICIN's grants to its worthy causes reached a record level of just over £210,000. Thanks to the generosity of St John's NH and all our donors, ICIN was able to fund the following projects:

- construction of an \$100,000 Indoor Stadium in Bahzani within the Syriac Orthodox diocese of Deir Mar Metti Monastery
- support the educational needs of students of Baghdad at \$30,000
- fund the work of OL of Carmel School, Amman to educate the children of Iraqi refugees who otherwise would receive no schooling - \$48,000

- Support the work of the medical team in Erbil providing critical medical aid in private hospitals that are unaffordable to the many including cancer treatment - \$15,000
- Help the lonely, the elderly and destitute of Bait Anya, Baghdad - \$15,000
- Support the work of Hamilat al Teib who have dedicated their lives to help the poor and marginalised families in Erbil - \$10,000
- Assist Mahabba & Farah to help those with special needs who otherwise would be abandoned - \$6,000

**Since April 2020**, ICIN continued the support of the critically-ill of Ankawa and the needy among the Syriac Catholic community in Qaraqosh and Hadiab.

*While the charity is very pleased with the above grants, its present financial health is far from ideal and an emergency fund-raising effort is needed to ensure its survival.*

*Please donate generously and remember “It’s not how much we give but how much love we put into giving.”<sup>3</sup>*
