UK Charity No. 11194271

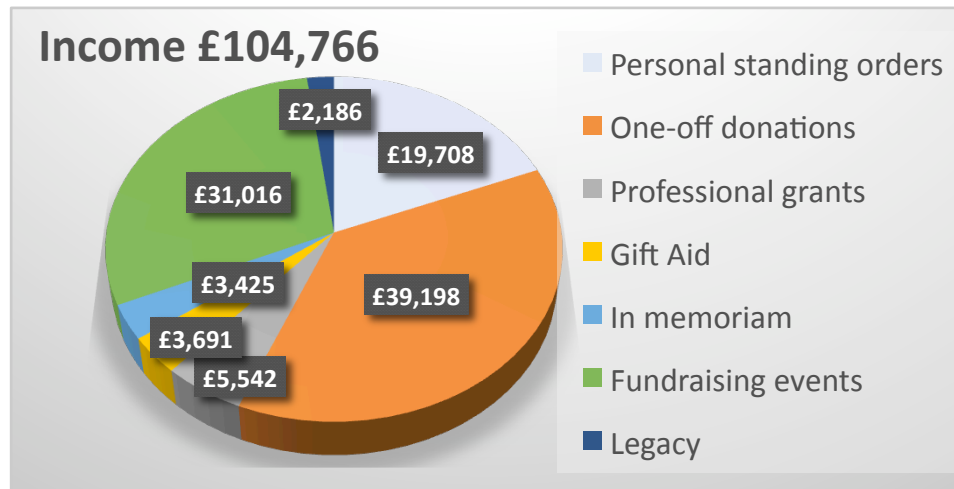

Iraqi Christians in Need, founded in 2007, has raised almost £2.3 million for the medical, financial and educational needs of Iraqi & other Christians displaced inside Iraq and the neighbouring countries.

The Iraqi issue no longer occupies the headlines, but the difficulties faced by those displaced within and outside the country continue.

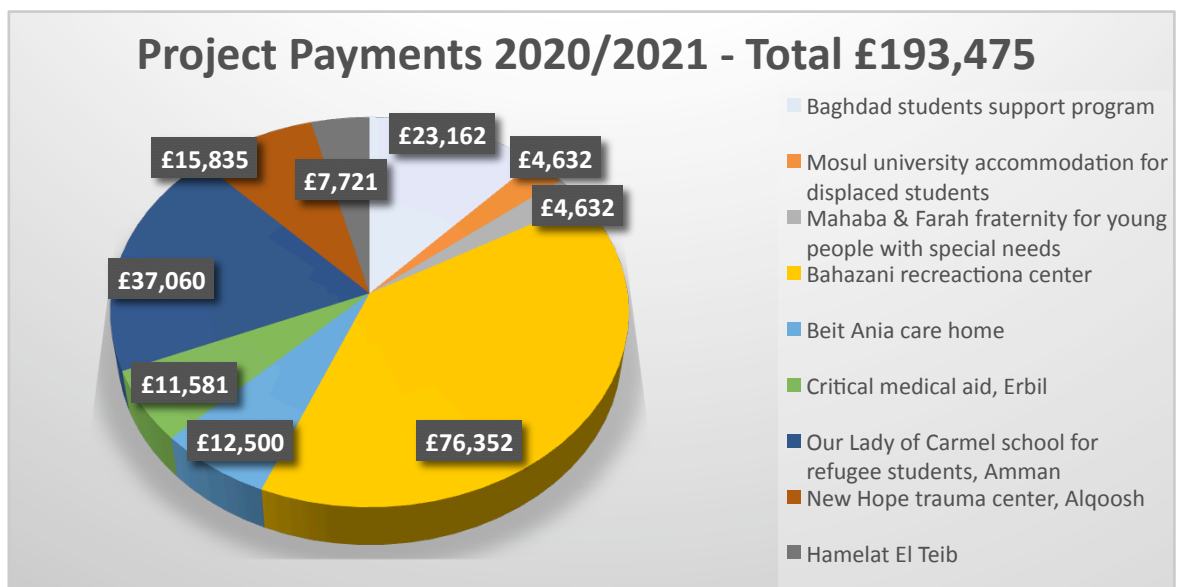

Inspired by your help, ICIN continues to play its part to alleviate that suffering.

Like many other charities, ICIN saw its lowest annual income over the past two years.

We have tried to keep up our commitments to our beneficiaries as much as possible.
